

SAOC West — About Us

The Submariners Association of Canada is a volunteer-led organization consisting of Canadian submariners and those from other nations who serve to defend their countries.

Through a network of three regional branches, we are here to share, support and sustain your journey as a Submariner from joining the Canadian Submarine Force to retirement and beyond for life. We foster friendship, goodwill and in common loyalty, to other Submariners, both nationally and internationally.

Our purpose

- To provide an opportunity for past and present submariners to meet in fellowship.
- To foster and build on that loyalty, friendship, goodwill and esprit de corps which members experienced during their submarine service in any navy.
- To provide support and assistance to submariners past and present and their families commensurate to the resources within the Association.
- To maintain liaison with the Royal Canadian Navy with the desire to participate in contribute to and promote activities within its active submarine community.
- To maintain liaison with other military and veterans associations and organizations specifically those of the submarine brotherhood of Canada and other countries.
